About the British Council

The British Council in the Netherlands is part of a global network, with expertise in education and the arts in over 100 countries.

We create opportunities for young people and work with governments and partners in education and cultural sectors. We convene events and activities to allow teachers and professionals at secondary, vocational and higher education institutes in the Netherlands and the UK to share best practices and work together to address joint challenges.

Our Cultural Engagement team in the Netherlands creates opportunities for young people to have life-changing experiences, for example, through accessing up to date and relevant information on [studying in the UK](#) and building relationships with UK Alumni.

Are you advising students to study abroad? Then access our [UK Agent and Counsellor Training Hub](#).

People who have studied in the UK can be part of our [Global Alumni UK network](#), opening up new opportunities.

[TeachingEnglish](#) is our global programme for English teachers. Teachers can build their professional network, share ideas and know-how, and stay up to date with the latest research and innovations in teaching. You'll find lesson plans, events and learning resources to support your practice, as well as new opportunities to help your career grow – whether you're taking your first steps as an English language teacher, or your next steps as a teacher educator.

Working in partnership with artists and cultural institutions, we promote art events across the Netherlands that highlight and showcase UK culture through our newsletter and website.

To access these opportunities and build your understanding, [sign up for our newsletter](#).

Taking Cambridge English Qualifications with the British Council

The British Council has extensive experience in delivering high-quality Cambridge English Qualifications globally. These examinations, developed and produced by Cambridge University Press and Assessment, are offered through our authorised Platinum centre. Cambridge English Qualifications enjoy international recognition from universities, employers, and education authorities.

We provide a wide range of examinations tailored to candidates' levels and requirements, including General English, Young Learners, and the Teaching Knowledge Test.

Both paper-based and digital examinations are available at carefully selected venues across the Netherlands, equipped with modern facilities. Our objective is to ensure a smooth experience for candidates taking a Cambridge English Qualification with us. Our highly trained and experienced personnel meet the standards set by both the British Council and the exam board, guaranteeing a high-quality experience for you and your students. Additionally, we have a network of qualified and accredited examiners and offer online support for English teachers and learners.

This brochure presents a comprehensive list of Cambridge English Qualifications dates for the 2024-25 academic year in the Netherlands. The British Council reserves the right to modify, cancel, or add dates to align with changes made to the Cambridge exam dates calendar. For further information, or if you are interested in organising an exam session at your school premises, please contact the British Council Amsterdam office at advantagenl@britishcouncil.nl.

British Council Advantage

Open a world of opportunity with Advantage, the British Council's trusted loyalty programme that welcomes and rewards a global community of educators that register candidates for Cambridge English Qualifications at our network of authorised exam centres. In collaboration with Cambridge English. Advantage goes above and beyond to offer you comprehensive support, helping members, teachers, and learners progress along their English exam journey.

Advantage is open to all schools and institutions which register candidates for Cambridge English Qualifications with us using our online group registration portal. Once you are a member, we will contact you at the beginning of each academic year with your membership level and to inform you of the benefits you are entitled to.

How does Advantage membership work?

We offer four membership levels, and your membership level depends on the number of registrations made in the previous academic year (01 September – 31 August).

New schools and institutions that join Advantage are offered a Starter membership level, our first membership level designed to help preparation centres getting started.

Members enjoy exclusive services and benefits, including financial incentives and promotions, more flexible exams services, learner and teacher resources, marketing support, and other local offers throughout the year. As you move up levels, you will enjoy greater benefits as a thank you for continuing to choose the British Council as your exam services partner.

Level	Criteria
Starter	1 - 15 candidates registered in the previous academic year
Standard	16 - 30 candidates registered in the previous academic year
Premium	31 - 79 candidates registered in the previous academic year
Premium Plus	80+ candidates registered in the previous academic year

How to join Advantage?

If you would like to become an Advantage member, you can simply register [online](#). To find out more, please contact our Advantage team: advantagenl@britishcouncil.nl or +31 (0)20 550 6060.

Exam Registration

We organise exams at our dedicated centres and at carefully selected venues in multiple locations across the Netherlands. We deliver the exams in partnership with delivery partners (exam centres).

The examination dates we offer are available in this brochure. They are grouped by region, city, and exam level. Our exam dates are regularly updated, and we can also organise exams at your premises. Please contact our [Advantage team](#) or our [delivery partners](#) for more information about our flexible exam dates and exams at your school location.

To find an exam that suits your needs, and for more information about Cambridge English exams we offer, please visit our [website](#).

Cambridge English Qualifications Digital

With CEQ Digital, we are able to organise digital exams at our exam venue or at your school premises on any day of the year. CEQ Digital exams offer greater flexibility over paper-based exams, faster results delivery (5-10 days), and are more accessible to candidates that may require special requirements.

If you would like to organise a dedicated digital exam session, [contact us](#) or our [delivery partners](#).

Individual candidates

Individual candidates can register themselves via our [website](#). After selecting the region in which you would like to take the exam, click on the provided link. We only accept online payments via credit card or iDeal.

You will be requested to give consent for your test day photo to be taken during the registration process. This is mandatory for the B2 First, C1 Advanced, and C2 Proficiency exams.

During registration, you can ask for special arrangements. You will need to share evidence to support your request directly with the centre in the region you register.

Group registrations

Institutions interested in registering candidates can choose from two registration methods: a bulk upload of candidate details by the institution itself, or individual registration by candidates (or their guardians) from their own homes.

In both cases, a special code provided by us is necessary for institutions or candidates to qualify for VAT-exemption and the Advantage discount (if eligible) during the registration process.

If you are missing this code or require further details, please [contact us](#) for assistance.

As part of our [Global Safeguarding Policy](#), we ask that you provide contact names and phone numbers of parents/guardians for candidates that are under 18 at the time of registration. In case of an emergency, we must contact the parent/guardian.

When will you receive your Confirmation of Entry?

After we have received your registration and payment for the exam fee, you (or your candidates) will be registered with Cambridge University Press & Assessment. You will receive a Confirmation of Entry that includes the exact exam dates, times, and exam location, along with other vital information. You will receive your Confirmation of Entry for paper-based exams ten days prior to the exam date, and for digital exams seven days prior to the exam date.

If you have not received your Confirmation of Entry, please contact the relevant [delivery partner](#) immediately.

Speaking exam dates

We have published speaking dates for all exam sessions. We kindly request you or your candidates to keep all these dates free. On your Confirmation of Entry, you will find the exact date and time of your speaking exam. Note that the speaking exam date can be prior to the date of your written components. Occasionally, we may have to add another speaking exam date due to the availability of speaking examiners.

Back-to-back sessions for digital exams

Our digital exams are run back-to-back, meaning that you will either sit your exam in the morning or in the afternoon. If you sit your speaking exam in the morning, all other components will be examined in the afternoon, and vice versa. In the busy exam period in May and June, we may run paper-based sessions back-to-back as well. If you would like to avoid this, we suggest you book early or select sessions outside of May/June.

B2 First for Schools

A B2 First for Schools qualification shows that a student has the language skills they need to communicate in an English-speaking environment. B2 First for Schools is targeted at the same CEFR level as B2 First but with content aimed at school-age learners rather than adults. Students will receive the same certificate as candidates who take B2 First.

Taking B2 First for Schools is also a great way to prepare for higher level exams such as C1 Advanced.

Young Learners

Cambridge English: Young Learners (YLE) exams are designed to assess the English language skills of children between the ages of seven and twelve. YLE exams include three qualification levels:

- YLE Starters - targeted at CEFR pre-A1 level.
- YLE Movers - targeted at CEFR A1 level.
- YLE Flyers - targeted at CEFR A2 level.

These exams are provided on-demand. If you are interested in organising them at your school, please [contact us](#) or our [delivery partners](#).

Teacher Qualifications - Teaching Knowledge Test (TKT)

TKT is a series of qualifications required to test your skills at teaching English as a foreign language. It is suitable for teachers of all age groups and abilities and includes a variety of test modules.

For more information about TKT, you can visit our [website](#). These exams are on demand. If you are interested in organising them at your institution, please [contact us](#).

Special arrangements

We have several ways of accommodating exam candidates who require special arrangements due to temporary or long-term difficulties or conditions. For example, special arrangements might be available to you if you have a broken arm, or a long-term illness, or a specific learning difficulty.

Specific arrangements are available for:

- visual difficulties;
- hearing or speaking difficulties;
- learning difficulties.

Please contact your [exam centre](#) for advice about your options.

How to apply for special arrangements?

It may take several months for some special arrangements to be organised for you, so you or your school should apply for it via the British Council as soon as possible.

Our exam centres will ask for full details of your difficulty and advise you on the different arrangements which may be available.

Upon registration, please indicate what arrangements you need, e.g., 25% extra time. Once you have registered for your exam, share all the supporting documentation via email with the centre you have registered with. Without supporting documentation, Cambridge English is unable to approve special arrangements.

Do not wait until the closing deadline as it may not be possible for Cambridge English to approve your special arrangements if we receive them late.

Refunds and transfers

Refund of your exam fee or transferring your exam registration to another date are subject to our [Terms and Conditions](#). Please consult our [refund/transfer policy](#) or contact our office in Amsterdam for more information about your options at refunds@britishcouncil.nl.

Enquiries of result

If you believe your exam result is not fair, you are entitled to an exam enquiry. There are two stages available in this process, with each stage requiring a fee. If you would like to begin an exam enquiry, please contact your exam centre for more information or refer to our [website](#).

Complaints

If you wish to make a complaint, you can do so by email, letter, or telephone; however, we encourage you to make your complaint in writing wherever possible. You are also encouraged to make your complaint on the day of, or soon after, your experience.

If your complaint is about your exam-day experience, we ask that you first contact the [exam centre](#) where you were registered:

- [NL001 - British Council Noord-Holland](#)
- [NL003 - British Council Zuid-Holland](#)
- [NL004 - British Council Noord-Brabant and Limburg \(Paper-based\)](#)
- [NL005 - British Council Utrecht](#)
- [NL007 - British Council Noord Nederland](#)
- [NL050 - British Council Zeeland](#)
- [NL071 - British Council Gelderland](#)
- [NL071 - British Council Noord-Brabant and Limburg \(Digital\)](#)

Please visit our website to learn more about our [Complaints policy and filing a complaint](#).
